Welcome to the 2021 Colonial Classic!

Throughout these 8 years of the Colonial Classic we have been a part of such growth. We are continually honored to be a part of each of your lives if even for a few days each year.

The Colonial Classic started as a one day, two-ring show that first year. It was scary. It was a risk. The classes were healthy in size and we went well into the night. We were not sure if anyone would appreciate our vision but you came and we appreciated you.

We have watched as small, local barns have blossomed into thriving businesses. These barns have shown up year after year with excited families and their horses. These trainers, these families, these horses have grown before our eyes and we appreciate you.

We have witnessed the wide eyed, hopeful Leadliners turn into polished, accomplished Children's Hunters. These children don't always win but these children have always shown up with hopes and dreams that are evident year after year. We appreciate you.

As the Colonial Classic continues to grow with the help of these barns, trainers, families, children, and horses we are again asking you to be a part of helping us improve our show. We want to hear your ideas. We want to hear your suggestions. We want to continue to improve and grow with you.

Sincerely,

Brooke Brown
